

GET YOUR MUSIC

Out there

Introducing Artist Associates – one of the most unique tour support programs in the music industry.

It's designed for performing artists who want to make a larger impact on the world, not only through their music, but also by helping children in need. As an Artist Associate, invite your audience to make a difference in a child's life with World Vision. In return, World Vision will provide support to help cover the costs of your tour. It's that simple.

As a musician, you can have a profound effect on the world stage. But one of the biggest challenges is getting your message heard.

The Artist Associates Program can help you do that.

As an Artist Associate, you can help inspire people to remember precious children in need. By doing so, you're helping support World Vision's ongoing programs such as HopeChild, which provides nutrition and medical treatment to the millions of children suffering from HIV/AIDS.

TOUR SUPPORT that changes lives

“I just make a mention during the show. People are very kind – they appreciate the gravity of the issues and it seems to bring another level of community to the evening.”
