If you give a donation to help children and families in Haiti through World Vision, by February 12th, it will double in impact due to a generous contribution from the Canadian Government.

On Tuesday, January 12, Haiti was struck by its worst earthquake in 200 years – magnitude 7.0 – followed by powerful aftershocks. While the death toll is still unknown, thousands are believed to have lost their lives. As many as 3 million people, one third of Haiti's population, have been affected. So many are children and families who were already living in dire poverty.

PLEASE PRAY.

Haiti's children and their families desperately need your prayers.

At this very moment, World Vision staff is on the ground to ensure relief gets to those who need it most. World Vision Haiti is distributing first aid kits to survivors along with basic materials such as blankets, clothes and bottles of water.

PLEASE GIVE.

Many are suffering terribly. You can help us reach out with God's love to help save their lives and restore hope for a better tomorrow. Your gift now can rush emergency supplies to children and families in desperate need in Haiti. And when you act today, the Canadian Government will MATCH your donation, doubling its value!

You can donate online now at worldvision.ca or call 1-800-268-1650.

EVERY MOMENT COUNTS. PLEASE ACT NOW.

4153839

**Donate now to take advantage of the government's match to your donation!
Call 1 800-268-1650 or go to www.worldvision.ca**
