

How to Make a Gift of Securities

Thank you for your interest in transferring a gift of securities to World Vision Canada.

Depending on whether you hold your securities in an account with a broker or as physical securities (i.e. stock certificates), there are two ways to make a donation of securities: **electronic transfer** or **physical delivery**. To help you make this donation, please refer to the instructions below.

ELECTRONIC TRANSFER

If the securities are held in a brokerage account, you can have your broker transfer your shares electronically to World Vision Canada's account at TD Waterhouse. To make an electronic transfer, please contact your broker and complete the attached form "**Direction to Transfer Securities Electronically**".
