INDEPENDENT AUDITORS' REPORT

To the Board of Directors of World Vision Canada

We have audited the accompanying financial statements of World Vision Canada, which comprise the statement of financial position as at September 30, 2016, the statements of revenue and expenditures, changes in net assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Page 2

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of World Vision Canada as at September 30, 2016, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

WORLD VISION CANADA

Notes to Financial Statements

Year ended September 30, 2016

Operations of the Organization:

World Vision Canada (the "Organization") is a Christian relief, development and advocacy organization incorporated under the laws of Canada as a non-profit corporation without share capital. The Organization is registered with the Canada Revenue Agency as a charitable organization (registration number 1193 04855 RR0001) and, accordingly, is exempt from income taxes, provided certain requirements of the Income Tax Act (Canada) are met.

Inspired by Christian values, the Organization is dedicated to working with the most vulnerable people around the world, especially children. The Organization serves all people regardless of age, religion, ethnicity or gender without prejudice.

The Organization is part of an international affiliation ("WV") with offices in more than 100 countries around the world. Through this affiliation, the Organization is able to reach and connect with local communities to meet specific needs with the aim to overcome poverty and injustice and to empower those communities to achieve lasting and sustainable change.

The Organization remits funds to World Vision International ("WVI") which provides coordination to all of WV by facilitating the implementation and monitoring of overseas programs to ensure that funds and goods provided by the Organization's supporters are used to directly benefit the most vulnerable people of the world, especially children.

The Organization gains support from Canadian individuals and businesses through cash donations. In addition, the Organization receives support through Canadian and other government agencies and international corporations in the form of grants and gifts-in-kind. The Organization receives unrestricted, as well as, restricted donations. All restricted donations are reviewed prior to acceptance to ensure that the gifts are consistent with the Organization's mission, purposes, values and priorities.

The Organization also recognizes that there are children living in poverty within Canada and, therefore, supports local initiatives partnering with Canadian community-based organizations ("Canadian Partners"), which are registered charitable organizations focused on working with these children.

The Organization and WV, subscribes and is subject to a series of internal and external checks and balances, including audits by regulatory bodies, to ensure revenue is being used for the purpose intended.

1. Significant accounting policies:

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations.

The following is a summary of significant accounting policies followed in the preparation of the financial statements:

(a) Recognition of revenue:

The Organization follows the deferral method of accounting for contributions. Revenue, containing conditions as to its use (restricted contributions), is deferred until the conditions are fulfilled. Revenue not containing conditions as to its use is recognized when received. The disbursement of government grant revenue is subject to audit by the grantor.

Contributions restricted for the purchase of capital assets are deferred and amortized into revenue on a straight-line basis, at a rate corresponding with the amortization rate of the related capital assets.

Gifts-in-kind ("GIK") are valued at fair market value. The recognition of GIK revenue is limited to donations where the Organization takes possession or constructive title of the GIK and either the Organization was the original recipient of the gift or was involved in partnership with the end-user agency, or the gift was used in WV programs. GIK are recorded as revenue at such time as the goods are received by the Organization.

The Organization is named as a beneficiary in certain wills. In some cases, the bequests involve trust arrangements administered by third parties that are not controlled by the Organization. Revenue on these arrangements, whether interest or capital, is recognized on receipt.

Endowments are recognized as direct increases in net assets and required to be maintained on a permanent basis and only the income derived therefrom is available to support the Organization's activities.

Investment income, which is recorded on the accrual basis, includes interest income, dividends, realized gains on sale of investments and change in unrealized gains on investments.

1. Significant accounting policies (continued):

(b) Volunteer services:

The efforts of volunteer workers are not reflected in the accompanying financial statements, inasmuch as no objective basis is available to measure the value of such services; however, a substantial number of volunteers have donated significant amounts of their time to the Organization.

(c) Allocation of expenditures:

(i) Programs:

The Organization engages in International and Canadian programs, as well as, Public Awareness and Education. Funds remitted to WV and to Canadian Partners, as well as other expenditures incurred in the support of those programs, are recorded as Program Expenditures less relevant Support Costs.

It is recognized that certain officers and employees perform a combination of program, fundraising and administrative activities and, as a result salaries are allocated based on time dedicated to the activity. Other operating and general costs, including professional and consulting fees, advertising and promotion, travel and occupancy costs have also been allocated based on the level of benefit received by each program and support service. Allocations are reviewed annually and are updated and applied on a prospective basis. (See note 21 for allocation of expenditures).

(ii) Support:

Expenditures incurred are for administrative and fundraising purposes.

(d) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Organization has elected to carry any such financial instruments at fair value.

WORLD VISION CANADA

Notes to Financial Statements (continued)

Year ended September 30, 2016

1. Significant accounting policies (continued):

Transaction costs related to the purchase of investments are included in the fair value on the statement of financial position and transaction costs related to the sale of investments are expensed in the year incurred. Changes in fair value are treated as an unrealized gain or loss in the statement of revenue and expenditures.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Organization determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Organization expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

(e) Capital assets:

Capital assets are carried at cost and are amortized over their estimated useful lives on a straight-line basis at the following annual rates:

Building	2.5% - 20.0%
Information systems	20.0% - 33.3%
Furniture and fixtures	10.0% - 20.0%

(f) Translation of foreign currencies:

Assets and liabilities denominated in foreign currencies have been translated into Canadian dollars at exchange rates prevailing at the year-end date. Gains and losses arising from these translation policies are included in the statement of revenue and expenditures in investment and other income.

Revenue and expenditures have been translated using exchange rates prevailing on the transaction date.

WORLD VISION CANADA

Notes to Financial Statements (continued)

Year ended September 30, 2016

1. Significant accounting policies (continued):

(g) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the year. Actual results could differ from those estimates.

2. Investments:

	2016		2015	
	Cost	Fair value	Cost	Fair value
Canadian equities	\$ 1,951,386	\$ 2,236,215	\$ 1,272,920	\$ 1,271,407
Foreign equities	1,258,065	1,494,504	1,227,428	1,584,731
Bonds	3,131,541	3,200,732	3,437,611	3,514,647
Short-term investments	954,740	956,534	893,477	923,806
	<u>\$ 7,295,732</u>	<u>\$ 7,887,985</u>	<u>\$ 6,831,436</u>	<u>\$ 7,294,591</u>

The bonds bear a yield to maturity ranging from 1.25 to 10.95% (2015 - 1.25% to 10.95%) maturing between December 2016 and November 2023 (2015 - December 2015 and November 2023).

(a) Investment risk management:

Risk management relates to the understanding and active management of risks associated with all areas of the business and the associated operating environment. Investments are primarily exposed to interest rate, market and foreign currency risks. The Organization has formal policies and procedures that establish target asset mix. The Organization's policies also require diversification of investments within categories and set limits on exposure to individual investments.

(b) Interest rate risk:

Interest rate risk arises from the possibility that changes in interest rates will affect the value of short-term investments held by the Organization. The Organization manages this risk by holding primarily term deposits and by staggering the terms of the investments held.

WORLD VISION CANADA

Notes to Financial Statements (continued)

Year ended September 30, 2016

2. Investments (continued):

(c) Market risk:

Market risk arises as a result of trading in equity securities, bonds and short-term investments. Fluctuations in the market expose the Organization to a risk of loss. The Organization mitigates this risk through controls to monitor and limit concentration levels.

(d) Foreign currency risk:

Foreign currency risk arises from gains and losses due to fluctuations in foreign currency exchange rates on the Organization's foreign equity securities.

3. Capital assets:

			2016	2015
	Cost	Accumulated amortization	Net book value	Net book value
Land	\$ 3,830,577	\$ –	\$ 3,830,577	\$ 3,830,577

	\$ 33,189,757	\$ 15,303,588	\$ 17,886,169	\$ 17,667,659

4. Related party transactions and balances:

During the year, the Organization provided funding to WV of \$195,140,310 (2015 - \$203,320,467) in cash and \$124,937,037 (2015 - \$123,878,316) in the form of donated goods. As at September 30, 2016, \$363,005 was due to WV (2015 - \$179,801 was due from WV). These amounts are non-interest bearing.

5. Credit facility:

The Organization has a credit facility that provides an operating loan to a maximum of \$5,000,000. The operating loan, when drawn, bears interest at bank prime and is due on demand. The Organization does not have an outstanding balance against the operating loan as at September 30, 2016 (2015 - nil). The Organization's credit facility is collaterally secured by a general security agreement, a first mortgage on land and building in the amount of \$14,000,000 and an assignment of fire insurance.

6. Accounts payable and accrued charges:

Included in accounts payable and accrued charges are government remittances payable of \$167,756 (2015 - \$122,170), which includes amounts payable for harmonized sales tax and payroll-related taxes.

7. Deferred contributions:

Deferred contributions include pledges collected, single gifts, grants and other income, which remain unspent to September 30, 2016 as set out in the following table:

	2015	Received	Recognized as revenue	2016
Pledges collected	\$ 14,422,203	\$ 213,555,879	\$ 204,746,373	\$ 23,231,709
