

# PACK IT FORWARD

TEAM BUILDING FOR A BETTER WORLD

**Think *inside* the box. Create memories while inspiring hope as you pack kits for children in need through Pack It Forward!** No matter your team's size, we know that maintaining a fun and engaging team culture can be a challenge. We want to provide an opportunity to help you achieve your social impact goals and connect with your employees while helping children access essential supplies.

To ensure your **Pack It Forward** experience is a success, we have partnered with **Kits for a Cause** to help you create a blueprint for hosting a successful event at the location/site of your choice and send you all the supplies you need to build kits at wholesale bargain prices.

During the event, your team will sort the items and fill the kits before sending them on their way to children and families in need overseas.

**Your office will feel energized, engaged, and proud to work for a company that gives back.**

**86%** of employees agree that customers, employees and investors should have the opportunity to be involved in corporate giving.
